

Cultural Committee

Mist Cultural activities make it possible to generate bonds of union between members of the same community. They transmit beliefs, customs, traditions and knowledge from generation to generation through art, dance, poetry, music. Cultural activities are activities which contribute to or enhance the historical or social development, appreciation of members of the public. It is training and refinement of the intellect, interest, tastes and skills of a person.

Characteristics of cultural activities

1. They Promote Physical and Social Development in the students
2. They are found in all cultures and types of societies. They vary according to the regions, the towns and their customs.
3. They generate areas where people tend to relax and enjoy a moment of leisure and rest.
4. They generate ties and a sense of belonging among the members who share a certain activity
