The IQAC, Director welcomed the committee members. The Previous minutes of following are confirmed and the action taken points are discussed.

- a. Parent teacher meeting conducted and feedback taken from parents related with their ward attendance and performance of studies. The problems also rectified which are identified.
- b. Process initiation towards autonomous process for the academic year 2023-24.
- c. Modernization and service of Laboratories.
- d. Faculty recruitment for the academic year 2023-24 against the vacancy positions.

Points discussed in the meeting are as follows.

1. Academic plan for the Academic year 2023-24 as per the university almanac.

Academic Director presented the Academic Plan for the academic year 2022-23. The committee discussed and suggested teaching learning process.

- Conducting regular classes and examinations according the almanac.
- Tracking Attendance status of the students periodically.

2. To improve the teaching and learning methods.

- The Director highlighted the importance of teaching –learning process which is more student-centric such as innovative teaching methods like Power point presentation, students seminars, Departmental quiz, Group discussions, Industrial visits has to be initiated

3. Encourage the students in games and sports activities.

- Encourage the students through sports committee for conducting the extra Curriculum activities. Motivate the students for tournaments & competitions.

4. Organize the seminar & workshops in the current academic year.

- The committee directed to all departments should organize Seminar/ workshop/ paper presentation for students along with Quiz/Special Lectures which enhance the professional skills of academic community. The committee reviewed the performance of departmental activities such as academic and R&D.

6. Motivation of various departments towards the National Conference for the academic year 2023-24.

- The IQAC committee directed to all the departments to conduct National Conferences on innovative topics and trending technologies for the Academic Year 2023-24. The details are as follows.
 - a. Organize the National conference on behalf of Circuit Branches. [CSE,IT,CSM, ECE,EEE]
 - b. Organize the National conference on behalf of Non Circuit Branches. [MECH,CIVIL, AERO]
 - c. Organize the National conference on behalf of Management and H&S branches

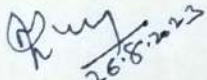

Contd...3.

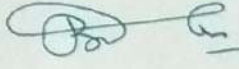

7. **Encourage the Research and development activities in the following aspects.**
 - Motivate the faculty members to pursue the Ph.D course on trending technologies. Discussion taken place on QIP improvement programme of AICTE.
 - All the Ph.D faculty members should publish the Research papers and register for patent on innovative technologies.
 - All the faculty members should publish at least four research papers in reputed journals in the current academic year.
8. **Process towards the MOU's, University Tie-UP and Industry partnerships with institution.**
 - The IQAC highlighted the importance of MOU's, University Tie-UP and Industry partnerships with institution. The memorandum of Understandings, University Tie-ups and industry partnerships help to fulfill the gaps between industry and academic activities. This is a bridge between industry and academics in sharing the knowledge attributes among the academic community.
9. **Student Enrichment Programmes and faculty development programme & Faculty Members**
 - The IQAC suggested best practices and implementation of Enrichment Programmes for students.
 - The departments should conduct the FDP on recent trends on the technology and conduct the orientation programmes according to syllabus modification.
10. **Conduct the various academic, co-curriculum and extra curriculum activities towards "Annual Day Celebrations" in the academic year 2023-24.**
 - All members of committee suggested conduct the co-curriculum and extra curriculum activities along with academic activities.

Finally, Dr..V.V. Prathiba Bharathi, Convenor of IQAC, thanked to all the members, for sparing their valuable time and requested for their continued cooperation and support in future also.

Notice

Sub: Mandatory Submission of Annual Quality Assurance Report (AQAR) by Internal Quality Assurance Cell (IQAC) of HEIs

NAAC advocates that every accredited institution need to establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. NAAC intends IQACs to be more developmental oriented focusing on continuous improvement. NAAC has prepared Guidelines for Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) for Accredited Institutions.

So far submission of AQARs was not a mandatory requirement for institutions applying to NAAC 2nd and subsequent cycles of Assessment and Accreditation (A&A). It has now been decided by the Executive committee of NAAC that **regular submission of AQARs should be made mandatory for 2nd and subsequent cycles of accreditation.**

In view of the decision of **Executive Committee of NAAC** the following will be the pre-requisites for submission of LOI for all Higher Education Institutions (HEIs) opting for 2nd and subsequent cycles of A&A **with effect from 16th September 2016:**

- Having a functional IQAC.
- The minutes of IQAC meeting and compliance to the decisions should be uploaded on the institutional website.
- Mandatory submission of AQARs on a regular basis for institutions undergoing the second and subsequent cycles of Assessment and Accreditation by NAAC.
- Upload the AQAR's on institutional website for access to all stakeholders.
