8. SWACHHATA HI SEVA EVENT

Title: Swachhata Hi Seva Event Report

DATE: 01-10-2023

Introduction: The "Swachhata Hi Seva" in collaboration with GHMC Hyderabad event held on 1ST of Oct 2k23 marked a significant initiative at Malakpet to contribute actively to the Swachh Bharat Abhiyan, a nationwide cleanliness campaign. The event aimed not only to promote cleanliness and hygiene but also to instill a sense of community responsibility and environmental awareness.

Cleanliness Drives: The core activity of the event involved cleanliness drives conducted in various areas, including the campus premises, nearby public spaces, and community spaces. Participants, comprising students, faculty, and volunteers, actively engaged in cleaning, sweeping, and collecting litter. The emphasis was not only on immediate cleanliness but also on fostering a long-term habit of maintaining a clean environment.

PRINCIPAL
MAHAVEER
INSTITUTE OF SCIENCE & TECHNOLOGY
Bandlaguda, Hyd-500 005

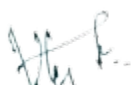

Separation and disposal of waste: The highlight of the event was the emphasis on waste segregation. Participants were taught the importance of separating waste into categories such as recyclable, non-recyclable and organic. Promote waste management practices by demonstrating proper disposal practices.

Awareness: To complement the hands-on activities, an orientation program was conducted to educate the participants about the overall objectives of the Swachh Bharat Abhiyan. Press conferences, demonstrations, and posters were used to convey information about the cleanup's impact on public health, environmental health, and community well-being.

Conclusion: The Swachhata Hi Seva event at [Location/Institution] emerged as a successful endeavor that not only promoted cleanliness but also inspired a sense of community and environmental responsibility. The active participation of students, faculty, and volunteers demonstrated the collective commitment to contributing to the Swachh Bharat Abhiyan. The event underscored the importance of sustained efforts towards cleanliness and environmental awareness, reinforcing the message that a clean and healthy environment is a shared responsibility.
