Sir,

Sub Mahaveer Institute of Science & Technology, Department of Management Studies (MBA) Requesting to incorporate enhancement of subjects. as part of JNTUH Curriculum for the academic year 2021-2022 for enhancement of employment opportunities for students-Reg.

I would like to bring the following for your kind perusal and favorable action through board of studies concerned.

This is to bring your kind attention that the Management students are unable to get suitable employment after the completion of their post-graduation. Though lot of efforts has been taken up by the colleges and the university. All our efforts go in vain. The efforts of all stakeholders like Institution, University, Industry, Parents would bring fruitful result. If the University can take the initiative of introducing the following enhancement of subjects which are being used widely in to industry.

1. E-recruitment
2. Modern management system

This enhancement of subjects would certainly enable majority of the Management post-graduation for employment training supportcan be taken from the industries.

I hope you would consider my request and take initiative in introducing the above-mentioned enhancement of subjects as part of JNTUH curriculum, by forwarding to the BOS of MBA Dept.

Thanking you sir,

Sub: Mahaveer Institute of Science & Technology, IT Dept Requesting to incorporate latest technologies.New courses as part of JNTUH Curriculum for the academic year 2018-2019 for enhancement of employment opportunities for students-Reg.

I would like to bring the following for your kind perusal and favorable action through board of studies concerned.

This is to bring your kind attention that the Engineering students are unable to get suitable employment after the completion of their graduation. Though lot of efforts has been taken up by the colleges and the university. All our efforts go in vain. The efforts of all stakeholders like Institution, University, Industry, Parents would bring fruitful result. If the University can take the initiative of introducing the following technologies which are being used widely in industry.

1. Design Patterns
2. Web Services

These technologies would certainly enable majority of the engineering graduates for employment training support can be taken from the Industries.

I hope you would consider my request and take initiative in introducing the above mentioned technologies as part of JNTUH curriculum, by forwarding to the BOS of IT Dept.

Thanking you sir,
