

Report on the student attributes facilitated by the Institution

Mahaveer Institute of Science and technology has worked to develop desirable attitudes in students through a code of conduct that helps them in personal and professional lives. For a faster all round development of students there is a need of striking a balance between syllabus, curriculum, co-curricular and extracurricular activities. The college carries out different programs, co-curricular and extracurricular activities for students to facilitate the various attributes. These activities and programs give the students an opportunity to develop particular skills and exhibit their non-academic abilities and allow students to link academic knowledge with practical experience.

To reach this outcome the institute constitutes of various committees for administration of functionalities of the college. Selected cluster of staff and students formulate the committees. Committees like Cultural committee, NSS committee and sports committee organize co-curricular, extracurricular and cultural activities for the students to develop their skills. The students are encouraged to participate in various competitions at state and national levels such as cricket, kabbaddi, kho-kho, basket ball, throw ball, indoor games like chess, caroms, badminton etc.

The students are encouraged to take part in inter-collegiate competitions, paper presentations, workshops and seminars as it motivates them to gain substantial experience, showcase their skills, analyze and adopt innovative techniques, develop their ideas and skills and also reveal ones respective strength and weakness.

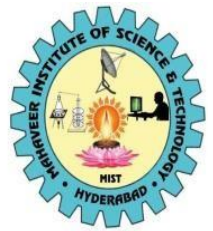

The students actively participate in all kinds of cultural events and youth festivals. Events like annual day celebrations, traditional day, national days like Republic and Independence day celebration, Tech fest, Regional festivals celebrations provide a platform for the students to exhibit and unleash their talents and skills.

MAHAVEER

INSTITUTE OF SCIENCE & TECHNOLOGY

Approved by AICTE, Affiliated to JNTUH,Hyd.

CounselingCode:MHVR,UniversityCode:**E3**

The institution provides assistance for placements to students which begin from first year of their course like CRT classes which include aptitude training, personality development, communication skills development and mock interviews. Students are motivated by TED Talks, motivational talks by industrial experts and experienced public speakers.

Through all these activities and by serving in various committees, students improve their leadership skills, interpersonal skills and self confidence which will link their academic knowledge with practical experience thereby leading to a better understanding of their own abilities and career goals.
