Disclosing Party's Confidential Information; or

- (1) is to be disclosed by court order or as otherwise required by law; provided, however, that in such case the Receiving Party so required will give ten (10) days notice prior to any such disclosure to allow the Disclosing Party to intervene and protect its interests in the Confidential Information, should the Disclosing Party so desire.
- (2) Subject to the Parties' obligations hereunder, nothing in this Agreement shall preclude either Party from:
- (a) entering into any further agreement or negotiations with or make any further disclosure to the other Party;
 - (b) entering into any agreement or negotiations with any other third party regarding the same subject matter or any other subject matter;
 - (c) pursuing its business in whatever manner it elects even if this involves competing with the other Party.

5. **Entire Agreement**

No rights or obligations other than those expressly recited herein are to be implied from this Agreement. No license is hereby granted, directly or indirectly, to the Receiving Party to use the Confidential Information other than under Clause 3(a) above.

6. **Term and Termination**

- (a) This Agreement shall become effective on the date of signature by the last of the Parties and shall remain valid for a period of three (3) years. Upon that date or as soon as practicable thereafter, each Party shall, at the other's direction, destroy or return all the Confidential Information which the other party has disclosed to it under or pursuant to this Agreement.
- (b) Restrictions with respect to the Confidential Information shall remain in force for a period of five (5) years following the date of this Agreement.

7. **Warranty**

Each party warrants that it has the right to disclose its Confidential Information to the other party and the right to authorize the other party to use the same under or pursuant to this Agreement.

8. **Severability**

If any provision of this Agreement is found by any court of competent jurisdiction to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect the other provisions of this Agreement, which shall remain in full force and effect.

9. **Equitable Relief**

Both Parties to this Agreement acknowledge that the Confidential Information belonging to each Party is a unique and valuable asset of such Party. Disclosure in breach of this Agreement will result in irreparable injury to the Disclosing Party for which monetary damages alone will not be an adequate remedy.

Therefore, the Parties agree that in the event of a breach or threatened breach of the terms of this Agreement, the Disclosing Party will be entitled to specific performance, injunctive relief or other equitable relief prohibiting any breach of this Agreement without giving an undertaking as to damages. Any such equitable remedy shall be in addition to and not in lieu of, other appropriate relief at law to which the Disclosing Party may be entitled.

10. **Non-Assignability**

No Party to this Agreement shall assign any of its rights or obligations hereunder, without the prior written consent of the other Party hereto.

11. **Counterparts**

CONSCIENCE TECHNOLOGIES

A RIGHT PLATFORM FOR ALL ENGINEERS.....

M.2.1 CONSCIENCE TECHNOLOGIES - COMPANY

CONSCIENCE TECHNOLOGIES is an amalgamation of best practices and competencies brought in by leading professionals on some of the most renowned names of the corporate world. Knowledge drives us over the past decades; CONSCIENCE TECHNOLOGIES has provided specialized knowledge services to a wide range of industry verticals. This puts us in a unique position where we are able to not only deliver cutting edge solutions but also help build in-house competencies of our clients, be it in the knowledge services domain or a part of our enterprises services.

Our R&D staff with rich and vivid experience work round the clock with innovative skills, updated software technologies and perfect interpersonal learning, which makes this division an unique one. Our researchers utilize advanced search techniques, and carry out research on many search engines and other search tools on the World Wide Web. We undertake all kinds of custom research needs also.

CONSCIENCE TECHNOLOGIES holds a very close tie-up with most of the institutions. It's one of the best approved companies in Hyderabad for students In-Plant Training, FDP, Internship Training, Final Year projects, Placement Training Technology and Training.

M2.2 MAHAVEER INSTITUTE OF SCIENCE & TECHNOLOGY, HYDERABAD

As an Institute committed to quality education, MIST aims at providing learning with a technology-edge. It endeavors to provide consistent training to its students to help them evolve as competent professionals in the highly competitive world. Right from its inception in 2001, it has been tuning itself to meet this objective.

A new civilization is emerging in our lives. This new civilization brings with it a new way of working. Millions are already tuning their lives to the rhythms of tomorrow.

The technological revolution and the forces of globalization are changing the very functioning of the organizations significantly in recent years.

Success nowadays, requires not only the ability to perform according to the requirements of the position, but also the ability to adjust and get along as a member of a working team. Two critical aspects of preparation for success in the workplace are Education and Training, so that you will have the required knowledge, skills and a high level of self-motivation including initiative and responsibility.

The department of IT was established in the year 2005 and quenches the thirst of knowledge of students effectively which meets the highest level of competency required by the industry. With its experienced faculty members having excellent academic backgrounds, it trains students supplementing classroom lectures with computer aided demonstrations making their learning a rich and rewarding experience.
