Detailed Report of NSS Activities year
Activity Name: COVID VOLUNTEERS

Summary of Activity:

The protection of children and educational facilities is particularly important. Precautions are necessary to prevent the potential spread of COVID-19 in school settings; however, care must also be taken to avoid stigmatizing students and staff who may have been exposed to the virus. It is important to remember that COVID-19 does not differentiate between borders, ethnicities, disability status, age or gender. Education settings should continue to be welcoming, respectful, inclusive, and supportive environments to all. Measures taken by schools and colleges can prevent the entry and spread of COVID-19 by students and staff who may have been exposed to the virus, while minimizing disruption and protecting students and staff from discrimination

ACTIVITY NAME : TRADITIONAL DAY

ACTIVITY DATE: : 09-12-2021

Summary of Activity: Traditional day was celebrated on December 09 2021 and the response was simply amazing with nearly 90% of students and the staff turning up in traditional attires, representing different cultures. It was a welcome change for all the mahaveerians, who looked wonderful in the colourful sarees, sherwanis, kurtas etc.,

The day started with Ganesh Pooja , performed by our honorable principal. The Pooja was attended by all the staff members and the students of the college. After the pooja , there followed a lot of traditional events like the mehendi competetion and the rangoli for the girls and kite flying and matka phod for the boys.

The highlight event of the day was the 'Dandia' where the students danced to the famous dandiya tracks being played by a student of our college. In all , it was a great success and it definitely strengthened the bonds among the Mahaveer students.
